TITANIUM SHOW CHOIR

Katy Gillis

Katy has been singing and dancing from the moment she took her first steps! Music has always been in her soul and she has enjoyed being a part of show choir since 8th grade. She has also enjoyed time on the stage with the theater program at Papio South for several musicals during her high school years. She has been a part of both the Leadership Academy and the Health Academy and loves to volunteer her time at school, church and for local organizations. She wants to thank Mr. Johnson and Mr. Dugdale for always pushing her to be better.

After she graduates she plans to attend college and own a business some day where she can help others.

Katy, we are so proud of you and can't wait to see what the future holds for you. We have no doubt that no matter what you do, you will be great at it because you are truly a light that brightens this world.
Love, Mom and Dad
